Faculty

The faculty of Southmoreland has done more than just teach. Its members, in each of the varied subjects, have demanded excellence or have encouraged students to achieve it. Each has his own special personality and way of making even the most demanding subject appealing. We respect our faculty and administration for the rapport they have built between themselves and for the concern they display for the youth of our community. Our teachers have been our friends, counselors, and examples. We hope that they realize our appreciation for their work.

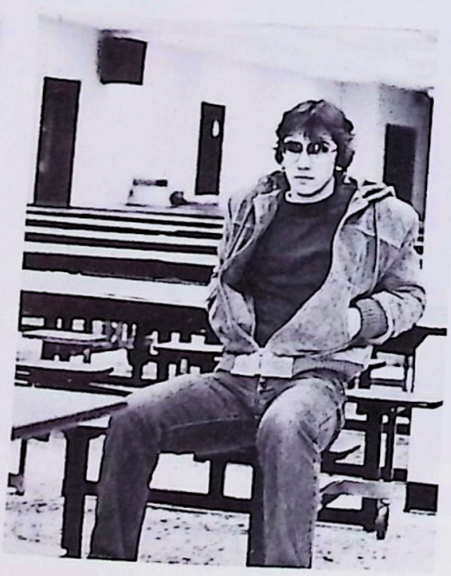
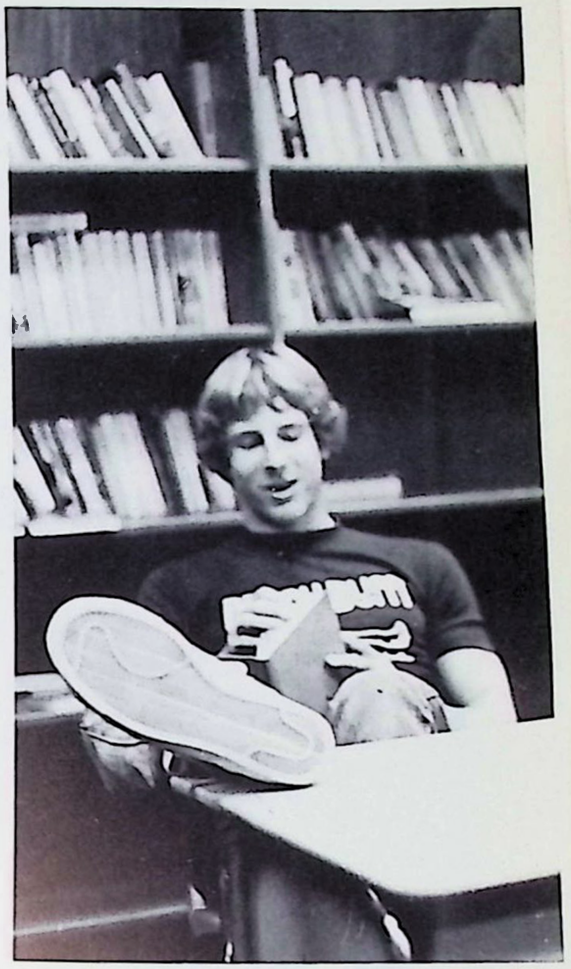
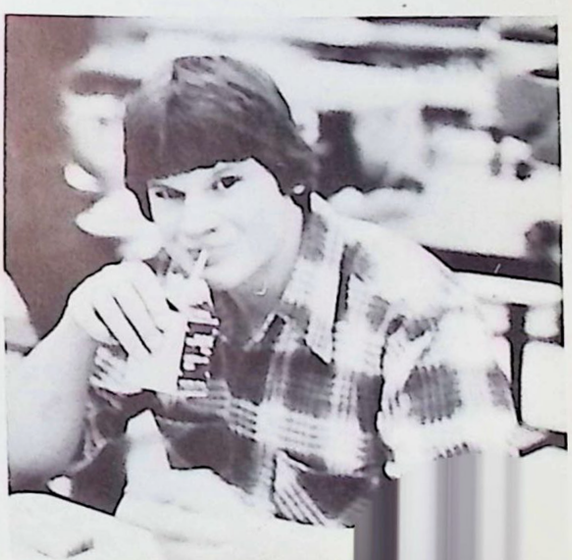
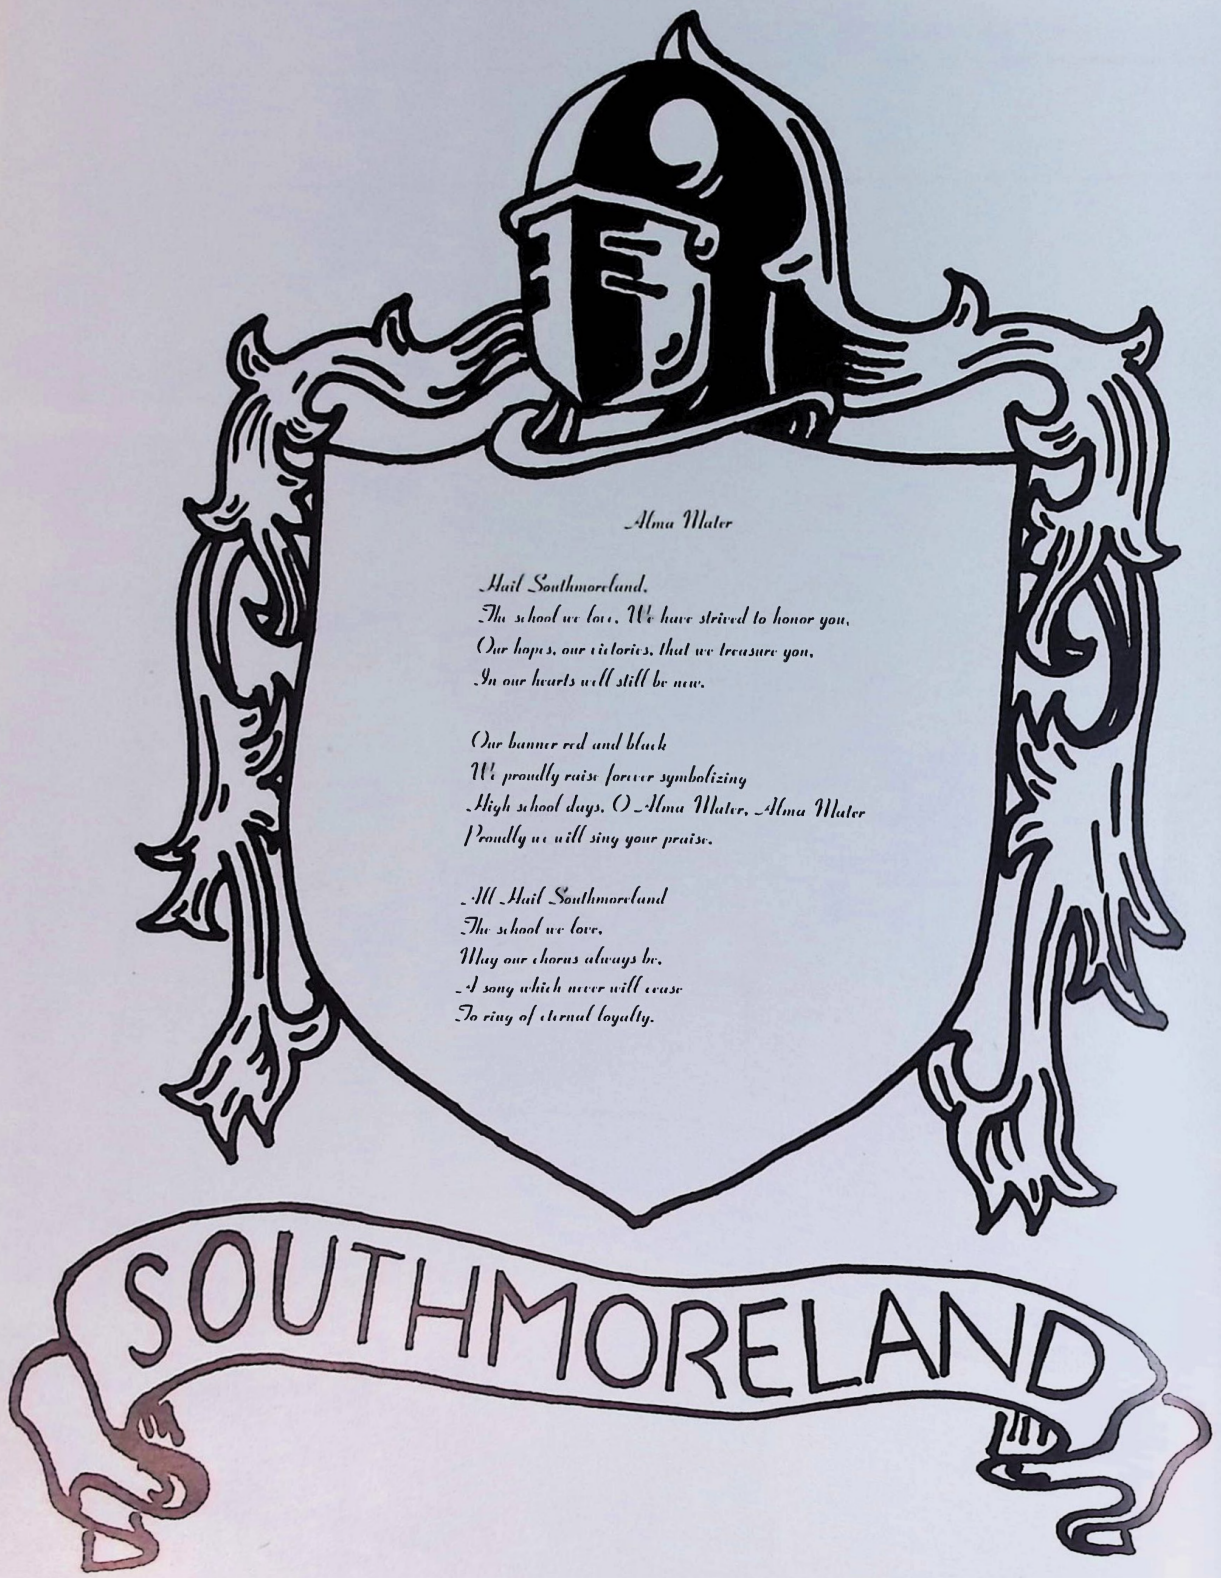
SHMORELAND
COUNTRY



As the class of '81 looks back at high school, the times that went by too quickly and the times that would never end, we realize that many memories have faded, but little is forgotten. Now, while the memories of our senior year are fresh and vivid, we realize that they too will fade, but our senior year will always be remembered as a milestone in our lives. It marks the parting of the ways for many friends and the beginning of a new time in our lives. Soon we must face the world alone, but we are only a daydream away from the times we spent together at Southmoreland.







Alma Mater

Hail Southmoreland,
The school we love. We have strived to honor you,
Our hopes, our victories, that we treasure you,
In our hearts will still be new.

Our banner red and black
We proudly raise forever symbolizing
High school days. O Alma Mater, Alma Mater
Proudly we will sing your praise.

All Hail Southmoreland
The school we love,
May our chorus always be,
A song which never will cease
To ring of eternal loyalty.

Class Motto:
Remember yesterday, Dream about tomorrow, but Live today.

Class Song:
Hold On

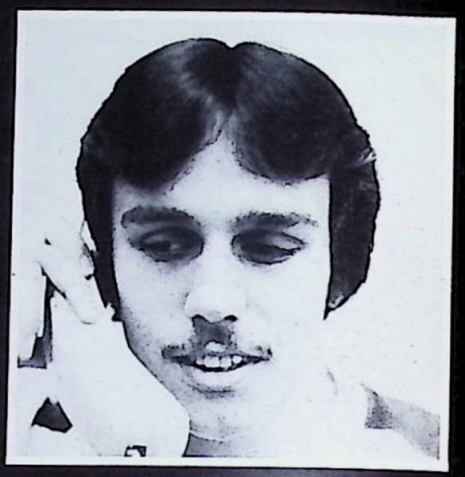
When all else is lost,

the future still remains.

— Bouee

Mark Schwartz, dater: After 20 times of dialing the phone and hanging up on the first ring, I finally let someone answer. It was her sister. I heard her say, "Brenda, it's a boy. Are you home?" Not knowing what else to say, I accidentally invited myself to her house, hoping we'd end up . . . alone.

Coming from a family of 8, I knew what a bother little kids could be. We both concluded it wouldn't be a good idea to go to her house. I started to get my act together and remembered there was a good 1 dollar special playing at the Penn. Clearing my throat, I made the offer.



Loose lips sink ships, and I was going down for the third time. She obviously had food on her mind, and I had only 2 dollars. I suggested that we go to this super place that looks kind of like a castle. It's all white and nice; "What's that, Brenda? Steak and Ale? Well, not exactly, but . . ."

Gad, had I talked myself into a hole, 2 dollars, no driver's license . . . the idea that I would borrow money from my Dad, and have him drive us somewhere. I decided I had to change my approach: "Frankly Brenda, I don't give a damn about fancy dinners. I just want to be alone with you. How about a walk?

Brenda Aller, datee: He finally did it! I knew that walking by his locker 10 times a day would eventually pay off, but come to my house? I nearly died. "I know my mom isn't keen about me having guys over, she's bound to send in the fearsome foursome to keep us occupied." There simply had to be something better . . .

Movie? Hmmm. I really wasn't in much of a mood to watch a movie, but I'm always in the mood for some of that super buttered Popcorn and chewy candy. The excitement overtook me, and I hurriedly replied, "Sure, when can we eat? Oh . . . uh . . . I mean, when can we see the movie?"

Boy, he is smarter than I thought. The idea of an expensive dinner on the town was just what I had in mind. Not Steak and Ale? Oh, Mark, Nino's is a great place for romantic candlelight dinner . . . all alone with just you . . .

"Mark! You devil, you. I bet you had that up your sleeve the whole time." Boy, some guys surely have to hand a girl a long line before they get down to business. "It sounds wonderful. You're so romantic to think of taking a walk. I'll never get cold, walking with you, Lil' Mark."

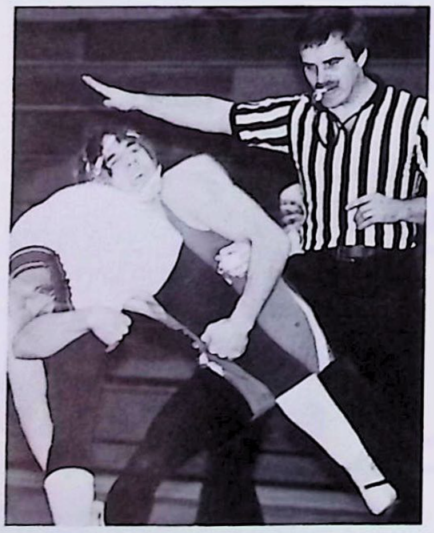
Boys' Sports



Athletics have always been popular at Southmoreland. This is apparent in the number of participants and in the number of spectators. Once again, Southmoreland's athletes have earned a fine record for their year of hard work. A school is often judged by its athletes. Southmoreland's athletes are dedicated, confident, spirited, and talented. We can all be very proud that we have such representatives.

Each year, the girls' sport program at Southmoreland becomes a little better. The girls meet the challenge of their sport with enthusiasm and determination. Learning about physical fitness is a part of a total education, and girls sports provides the opportunity for this. The time spent by these girls on athletics is well spent toward health, friendships, and character.

REFLECTIONS

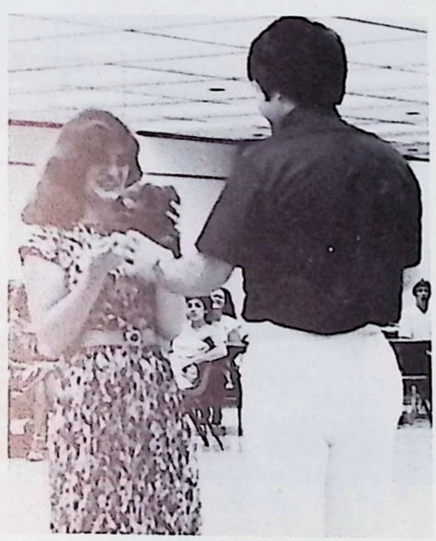
— on activities — what SHS is really all about



Alpha

The members of Alpha are those students who have been recognized as either gifted or talented. Each student has an option to participate in long-range or short-range I.E.P.'s. Long-range I.E.P.'s involve a student's special interest, such as writing, computer programming, or music. Through long-range I.E.P.'s, students learn more about their special interest than they could in a classroom situation. Short-range I.E.P.'s are educational experiences able to be completed in a relatively short period of time, for example — field trips and guest speakers. There is also a resource room available to students. The program is coordinated by Dr. Seigal.

A.V. Crew

The members of the A.V. Crew have many responsibilities. They deliver audio-visual equipment to classrooms when it is needed and aid the teachers when there are problems with it. They also deliver and collect films from classrooms. During assemblies and other programs, the members of this group are in charge of lighting, sound, and the activities backstage. The A.V. crew is sponsored by Mr. John Korba.

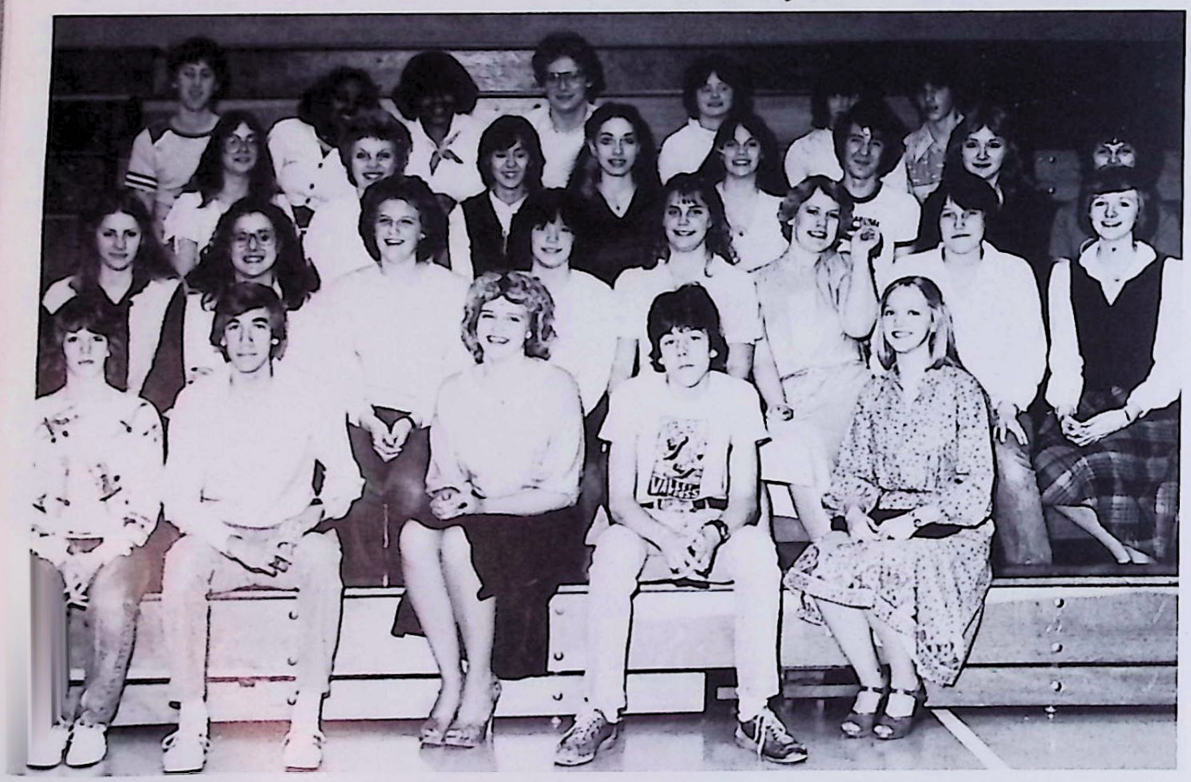
Classics Club

The Classics Club consists of a group of students who are interested in the Latin and Greek languages. The students and sponsor, Mrs. Rolison, went to the Syria Mosque to participate in Latin American Activities. Candy selling was used as the club fund raiser.

Commercial Club

The Commercial Club is comprised of juniors and seniors taking at least two business courses. Their activities include an annual Holly sale at Christmas to raise money for service charms. This year they also toured a business to better understand the applications of the skills they are learning. Commercial Club is sponsored by Mrs. Christner.

Footlighters



The Footlighters presented "The Rainbow Connection" and "That's Impossible" this year. Although long rehearsals and learning lines sometimes became tedious, the cheer and applause made it all worthwhile. Both plays proved to be a success, with the help and guidance of Mrs. Oliver and Mr. Miller.

Library Club

The members of the Library Club are volunteers who work in the library during their study halls. They lend help to anyone who has a question about the library and keep the process of checking out books running smoothly. Library Aids work under the supervision of Miss Flemming.

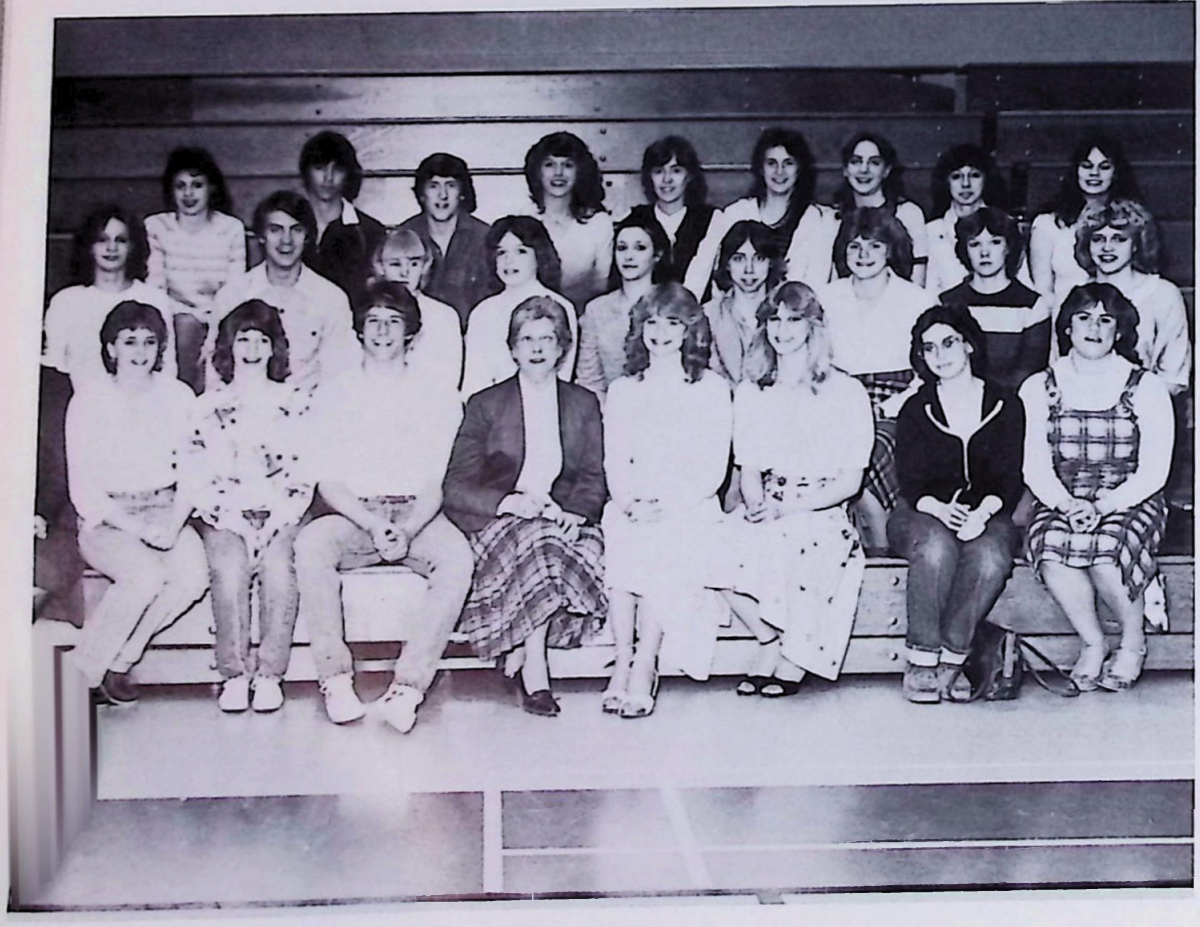
Graphic Arts Club

The Graphic Arts Club is not Southmoreland's basic club. The members of this club do not use their time for sales or going on field trips. There are approximately 50 students who use their study halls and free time to print programs, posters, tickets and anthing else that the school district might need printed. Mr. Kintigh is the club sponsor.

Health Aide

The Health Aides volunteer to work in the health office during study halls. They work under the supervision of Mrs. Mehallick, the school nurse, and aid in the most medical related activities, such as tine tests, eye tests, and hearing tests.

Office Aides



The students who work in the main office are volunteers from study halls who are interested in office procedure and helping things run more smoothly. They perform a wide variety of jobs during the day. One of their duties includes collecting attendance cards and excuses in the morning.

Guidance Aides

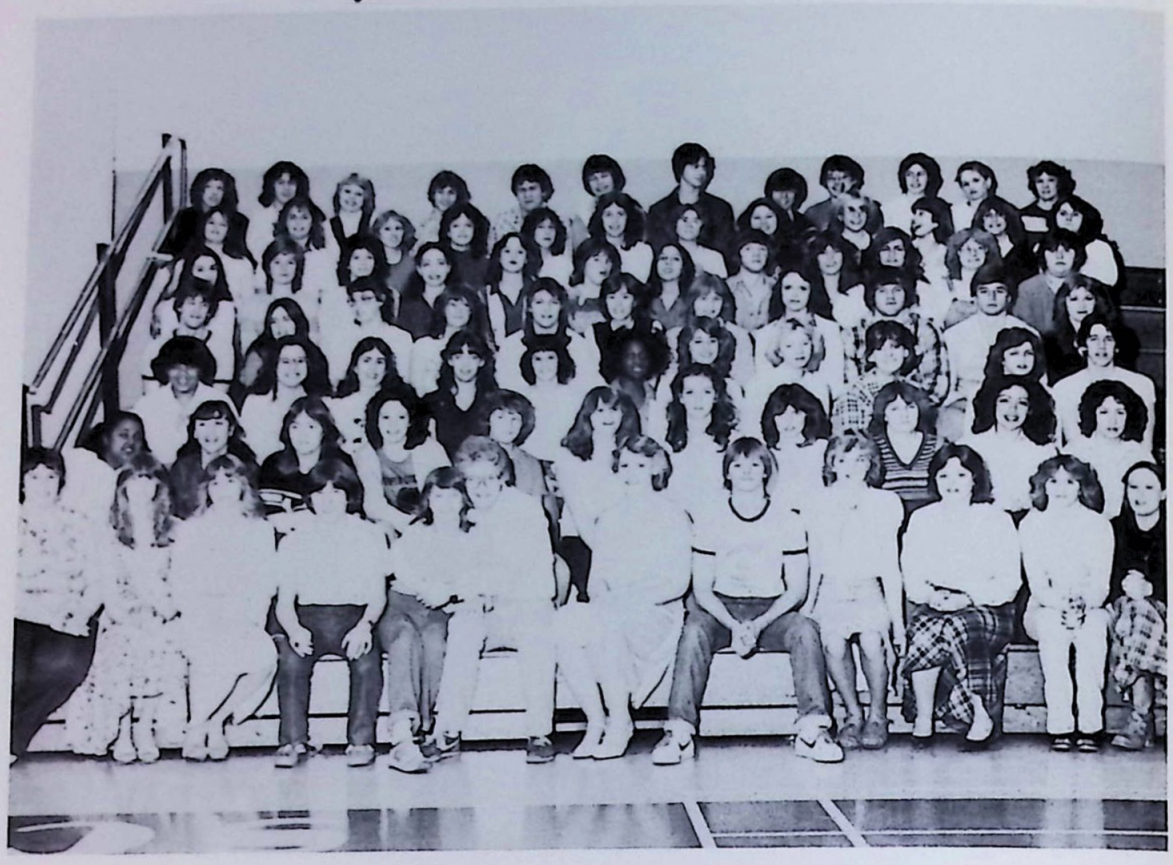
The guidance aides perform much the same duties as the office aides. They, too, are volunteers from study halls wishing to help out. Their tasks are those which help aid the workers in the guidance office.

Y.E.A.

The Youth Education Association is a group of students who are interested in pursuing a career in education. Their activities include attending state conferences, teaching the grade schools in the spring, an ice skating party, and a banquet held to honor senior members. The Y.E.A. is sponsored by Miss Flemming.

Y.A.W.A.

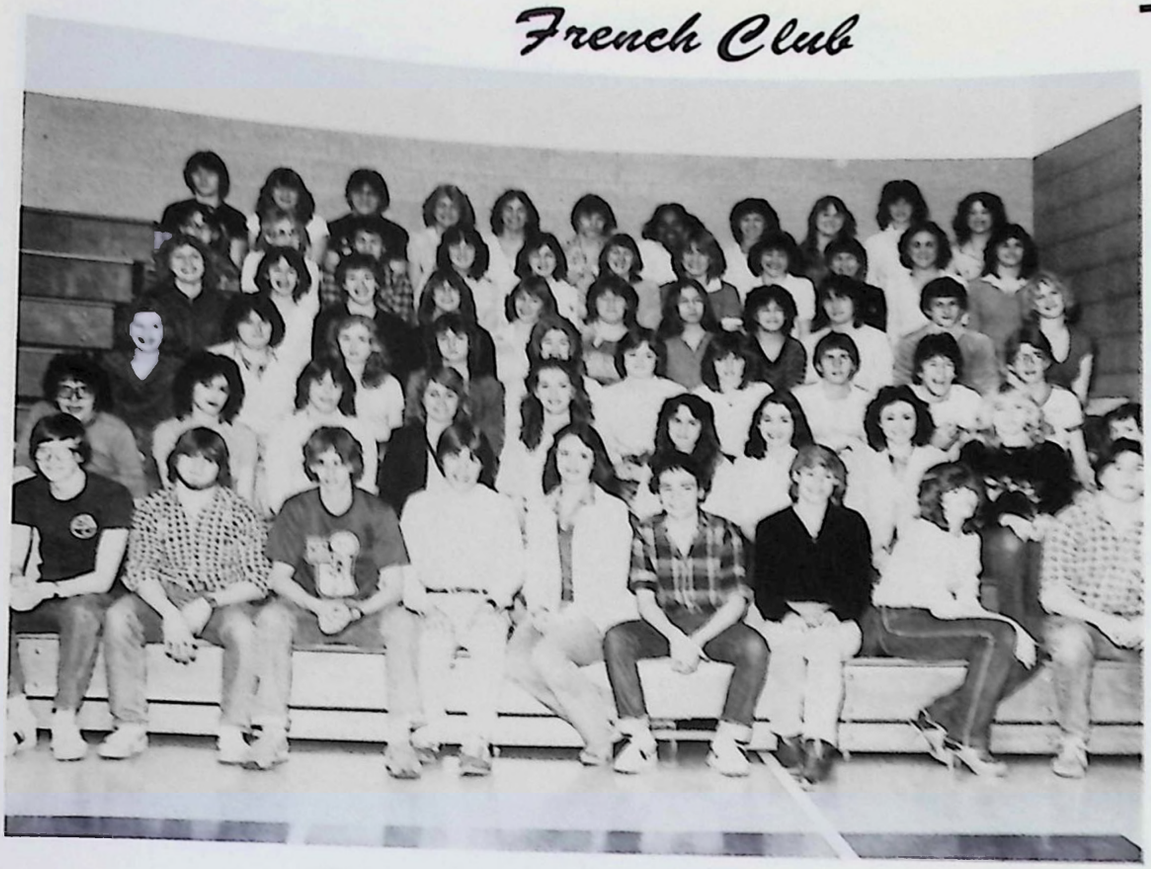
The Youth Association of World Affairs is a group of students interested in current activities on World, National, and Local levels. Each year this organization visits historical sites around the country. This year Y.A.W.A. traveled to Yellowstone National Park. To raise money for the trip the group sold candy and doughnuts, had a talent show, smorgasbord, and a roller skating party. They also sponsored speakers to come in and talk to students about world affairs. Mrs. Mowry is Y.A.W.A.'s sponsor.



Y.T.S.C.

Under the direction of advisor Mr. Mehallick, the Youth Traffic Safety Council is a well organized group of students, whose primary intention is to lower the staggering amount of traffic fatalities among young people. The Southmoreland YTSC is a member of Intermediate Unit #7 of Westmoreland County which supplies individual schools in the county with materials and supplies. This year the YTSC projects included: slide-tape-Program, dealing with child safety in the automobile; presented, "Adventures of Beltman," to the Intermediate school.

French Club



"Slim Jims for sale." That was the slogan for the unique fund raiser sponsored by the French Club. With the profit from the sale, the club went on two field trips; the first to Pittsburgh for a classic Moliere play and the second for a movie to Indiana University. The French IV Students were treated to an experience in fine French cuisine at the very French restaurant La Normande. The club also purchased books in memory of Dr. Leonard Golembiewski. The French Club activities were under the direction of Mrs. Paulette Dye.

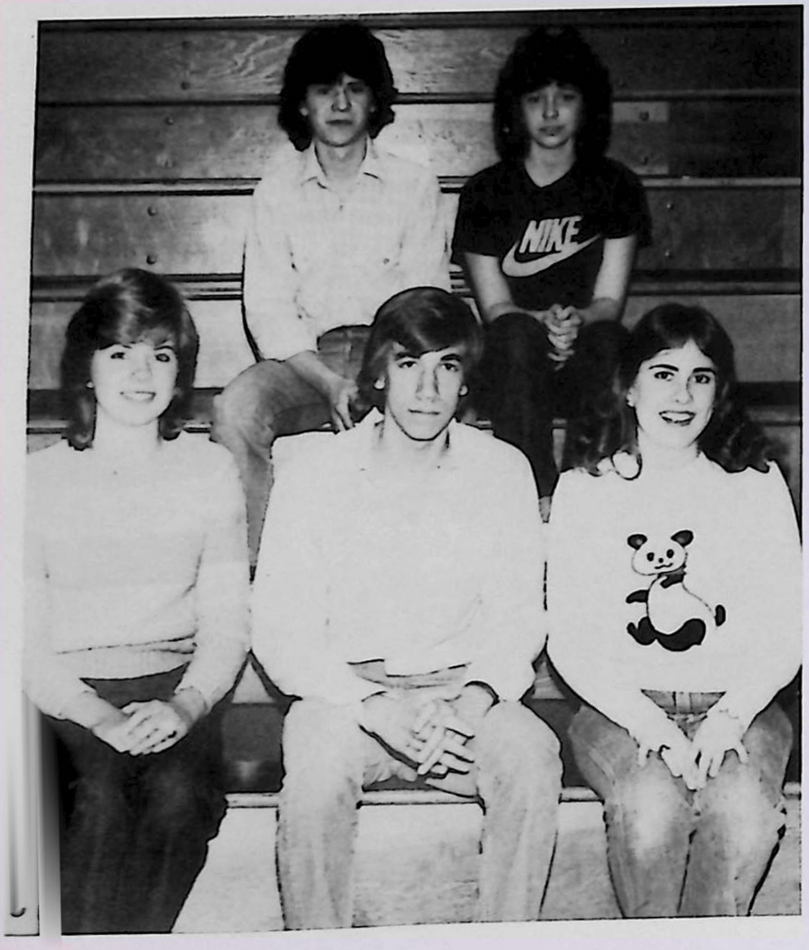
French National Honor Society

The French National Honor Society consists of those that excel in speaking French. A formal induction was held for the new society inductees and their parents. Activities for the year included two bake sales and a service day project.

German Club

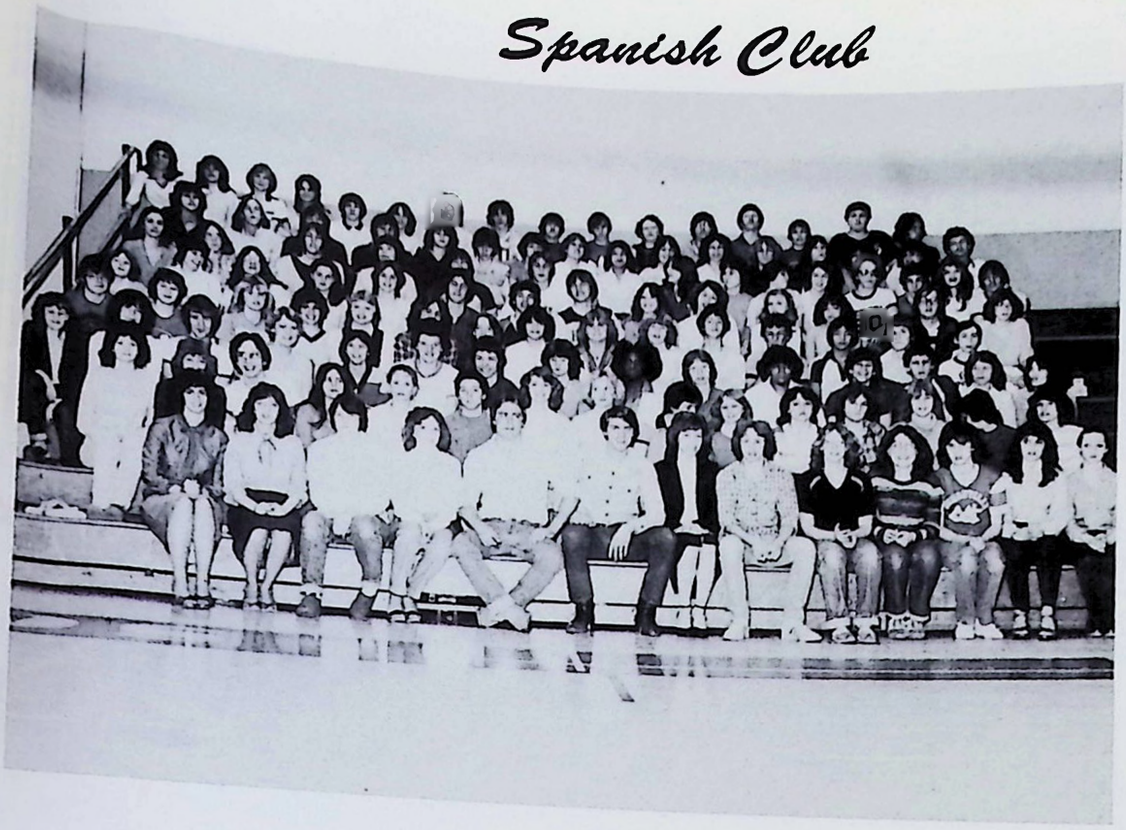
The German Club, sponsored by Mrs. Davis, is an activity available to any student taking German. This year the German Club sold "Gummi Bears" to raise money for their annual banquet held in the spring. Officers: President David Gleysteen; Vice President David Shallenberger; Secretary Susan Gaut; Treasurer Linda Simon.

German National Honor Society



The German National Honor Society was newly organized this year. To be inducted as a member of the German N.H.S., one must have 2 years of German and carry a B average. A formal induction was held for the new members and their parents in April.

Spanish Club



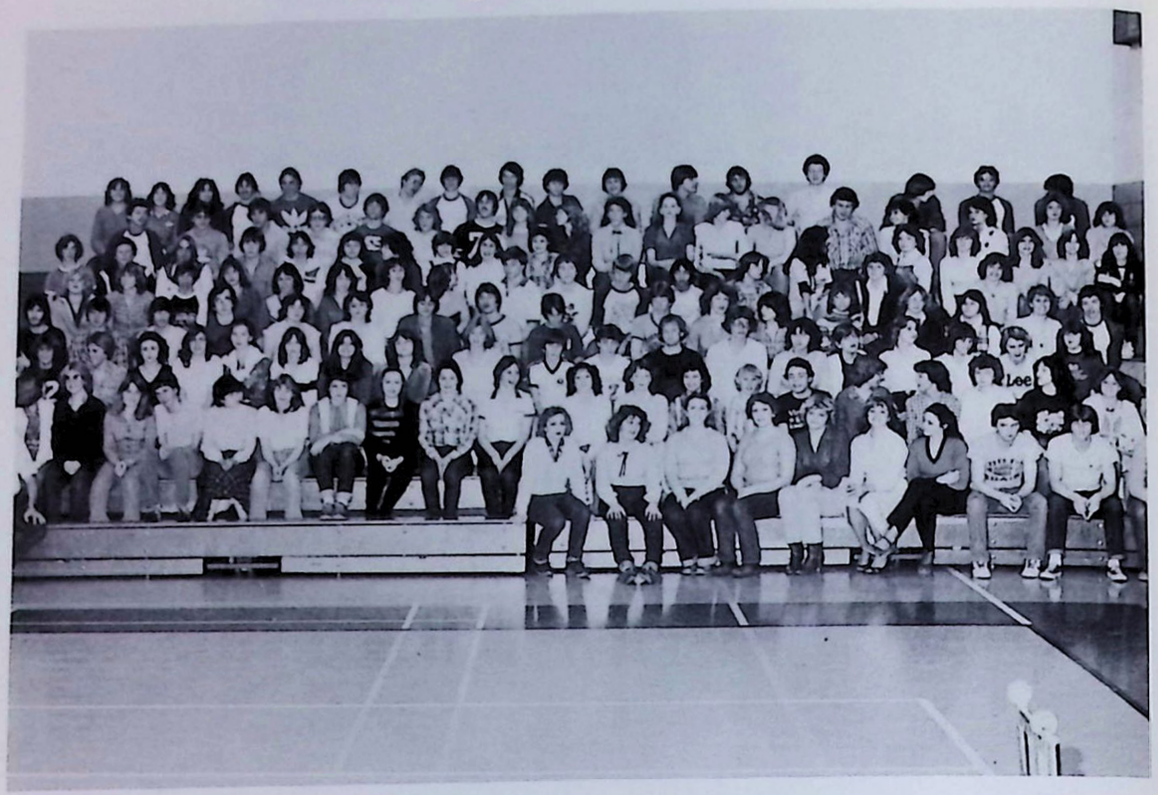
Students who take the Spanish language are eligible to be in the Spanish Club sponsored by Mr. Chiarmonte.
The Spanish Club participates annually in raising funds for Children's Hospital; the members also ring bells for the Salvation Army.

Spanish National Honor Society

The members of the Spanish National Honor Society are students enrolled in Spanish III. They are selected on the basis of a number of requirements — one being they must have a B average in Spanish and a C average in their other classes. Ten new members were selected this year and eight are second year members. Their moneymakers this year financed an assembly for the Spanish classes.

Ski Club

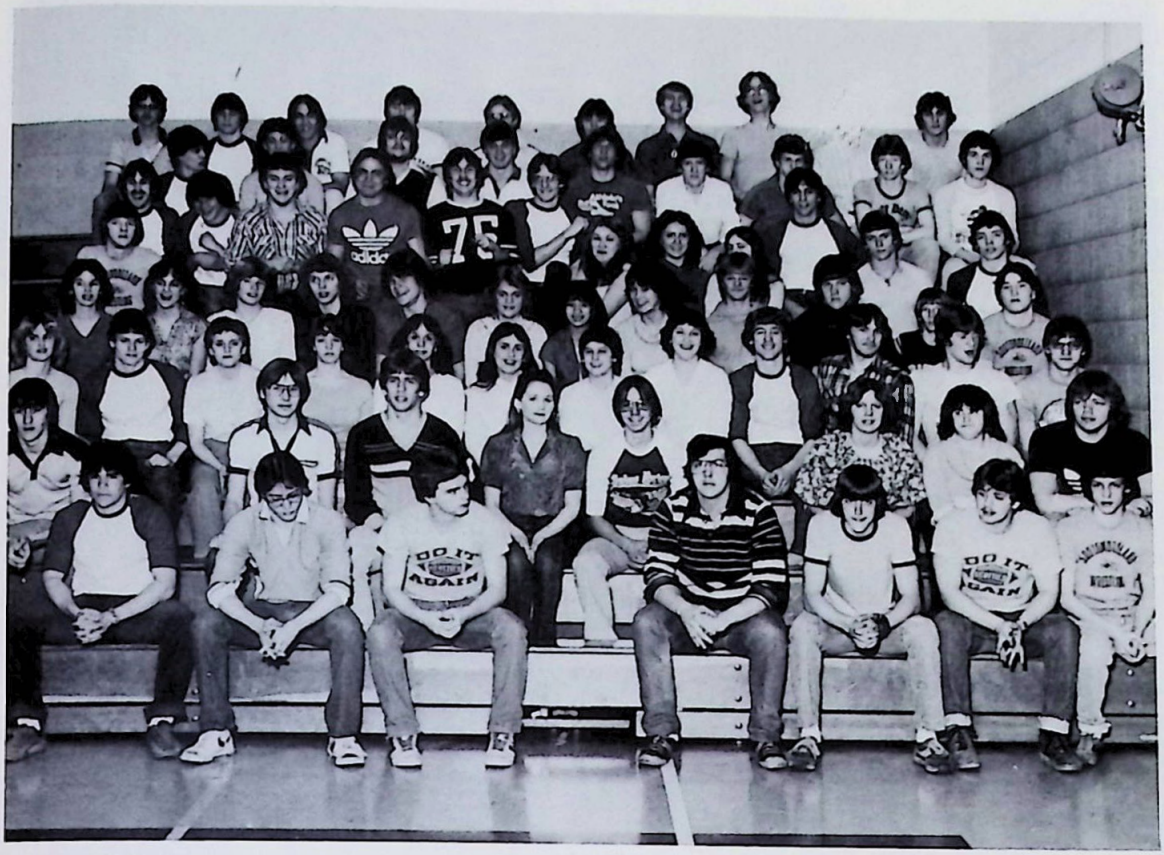
The Ski Club is sponsored by Mr. Gilpin and Mr. Banasick. The Club is traditionally one of the most popular clubs in the school and this year was no exception. The eager skiers were ready for the slopes, but were somewhat disappointed when only four Monday night skiing trips were possible.



Pep Club

The members of the Pep Club are those students who are the most supportive of our athletic teams. Their activities included decorating lockers, making wrestling scrapbooks, and having a spring dance. The sponsor of the Pep Club is Miss Ceroni.

Letter Winners



The Letter Winners' Club is a newly created club this year at Southmoreland. The club is under the leadership of Mr. Bacha. To be a member, the student must have earned a letter in any sports activitiy.

Forensics

This year, Southmoreland once again participated in debate. Sponsored by Miss Shire, the members of this organization learned the rules of debate, researched and organized several debates, and participated in the Youth Congress at Derry High School.

Student Council

Student Council contributed a great deal to the school curriculum.

The year began with the Homecoming festivities, which included a parade before the halftime highlights and a dance which took place the following evening.

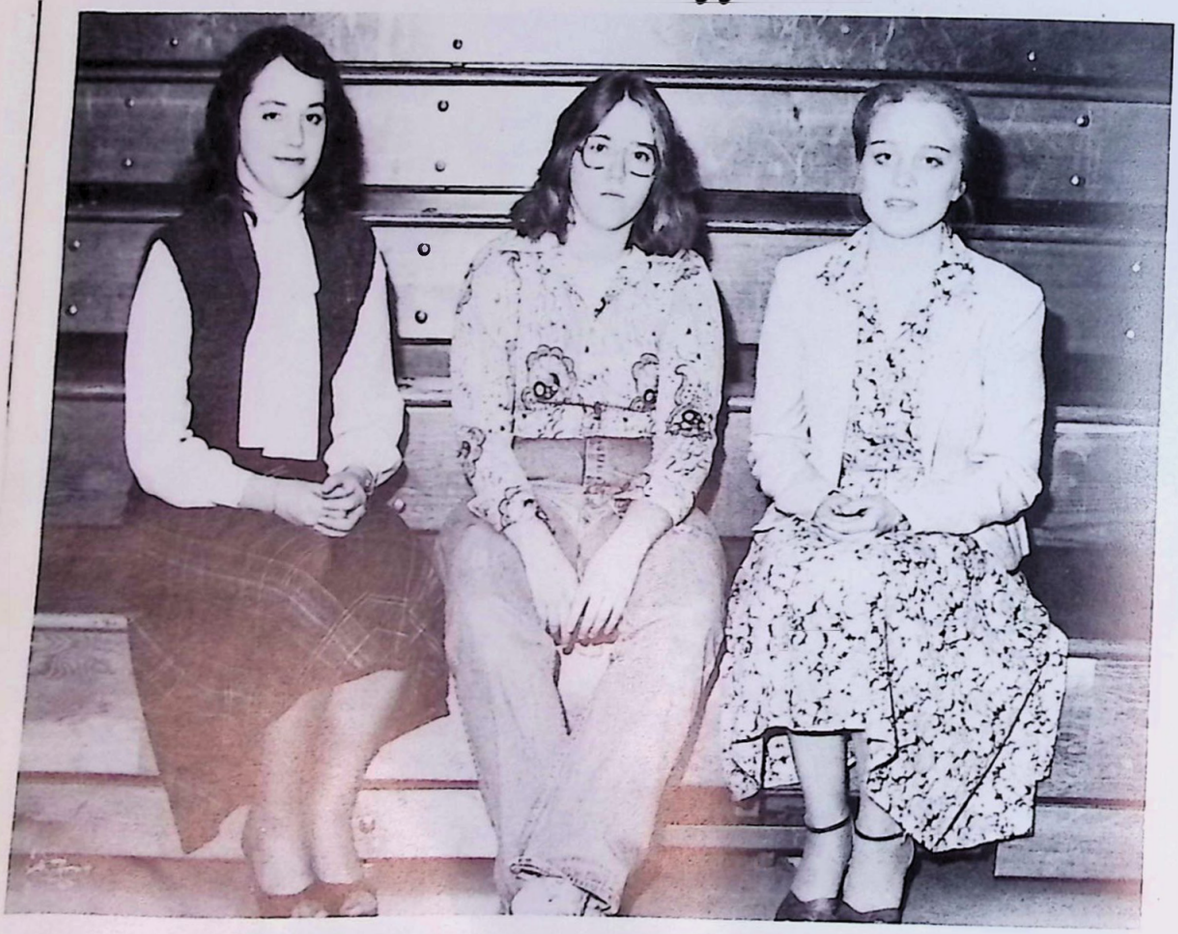
On November 8, the student council sponsored the visit of the American Red Cross Bloodmobile.

Cowboy hats, letterman sweaters, T-shirts and clashing colors are brought to mind when Spirit week is mentioned, a week of style and fun.

The Cinderella Dance was enjoyed by all who attended. The group, Rock Salt, provided the music for the evening.

One of the main attractions of the school year was Studio Wrestling, which was also sponsored by student council.

Officers



Officers are as follows: Lisa Lewandowski, President; Lisa Kaper, Vice President; Michelle Fretts, Secretary; Peggy Beal, Treasurer.

Leader's Club

The Leader's Club is a group of students interested in gymnastics and extracurricular activities. Most of the members of the Leader's Club are responsible for the performance of the gym show which is presented near the end of the year. M&M's and pizzas were sold to defray the cost of gym show costumes. Mrs. Barr is the sponsor for the club.

Leader's Club

National Honor Society

The National Honor Society is a prominent group. Members are selected on the basis of scholarship, leadership, service and character. The N.H.S. consists of one and two year members. The requirements to be met to be inducted into the National Honor Society are more demanding. These members become the officers in the N.H.S. It is quite an honor to be chosen as a member. The duty of the members is to demonstrate the qualities of scholarship, leadership, service, and character through performance. One of their services is providing a thought for the day each morning.

Officers

Officers of the N.H.S. are Dale Hartzler (president), Colleen McNally (vice president), Monica Hostetler (secretary), Shawn Lochinger (treasurer); Bernadette Czekaj, Ray Felgar, Suzanne Hollis, and Charlene Johnson are committee chairman. Mrs. Richard is the sponsor of N.H.S.

Highlander Choir

The Highlander Choir is Southmoreland's own choir. The group consists of students in tenth, eleventh, and twelfth grade chosen by audition to perform for the school and community. Of their activities, Solo Night and the spring concert are the most popular. The choir is directed by Mr. Ometz.

The staff of 9 members spent countless hours of time and effort preserving these memories for the students of Southmoreland.
The staff includes: Mary Beth Malik, Colleen McNally, Lisa Kaper, Tricia Cavanaugh, Roy Hixson, John Swartzentruber, Bernadette Czekaj, and Michelle Fretts.

On behalf of the editors we would like to thank our staff for their cooperation and hard work. We would especially like to thank Mr. Dennis Zieger, our sponsor, for the tremendous amount of time and effort he put in to help us with our school's yearbook. Special Events

Each year SHS offers something new in the way of special events, as well as repeating some of the most popular from the past. Special events are fun and entertaining, important and educational. They allow students to meet and learn about each other's special talents, and they give everyone a chance to express themselves, work together, or be of some service. This year we danced, jumped, sang, played, ate, rocked, tumbled, and cheered. Some of the best times of the year were built around these events.

Bloodmobile

The bloodmobile returned to Southmoreland for its second consecutive year on December 8, 1980. Once again students were filled with the anxieties of weak knees and second thoughts as their donation times approached. The bloodmobile was sponsored by Student Council. Members of the Red Cross came in to receive the donations from both the students and members of the faculty.
The results:

	Donations	*Deferrals*
Faculty —	*46*	*14*
Students —	*36*	*3*
TOTAL	*82 pints*	*17*

Last year's record of 79 donors was surpassed by this year's result of 82 donors. Donors, this year, are to be commended for their desire to be of help by contributing to such a good cause.

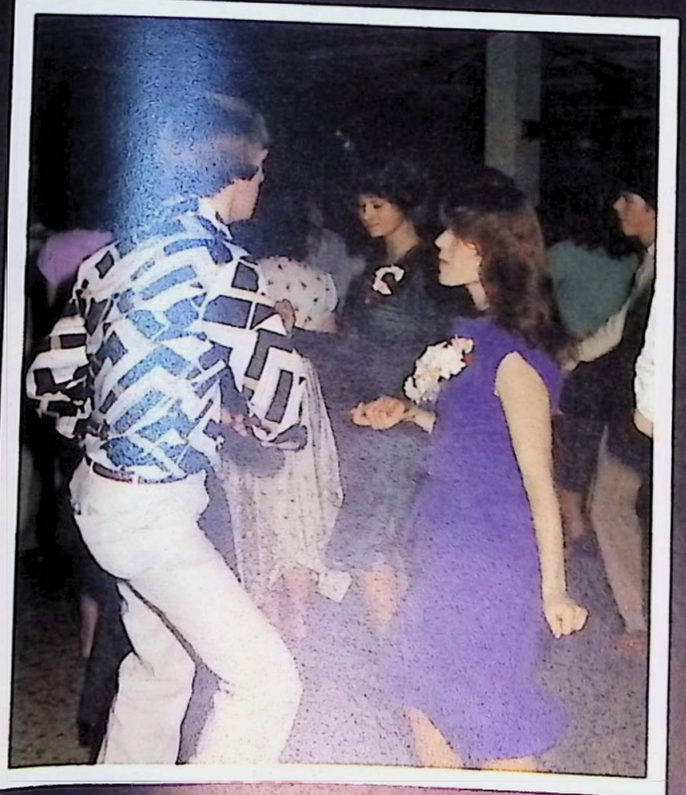
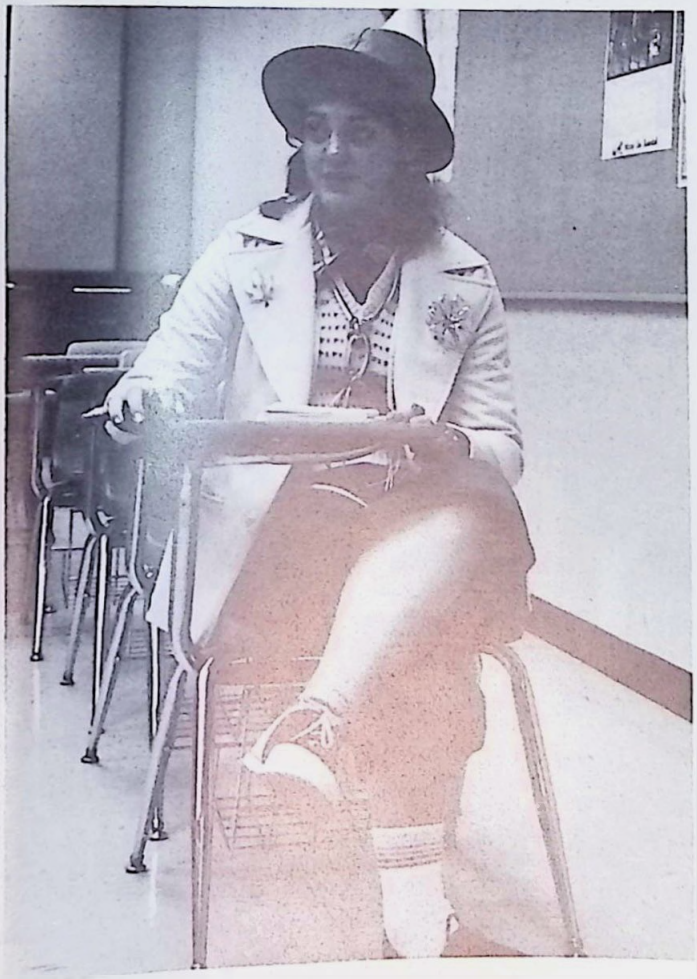
Christmas Fantasy

One tradition observed by SHS every year is the Christmas dance sponsored by the Sophomore class. The mistletoe, holly, tinsel, pine, and music by "Friction" helped create the scene for many Christmas memories.

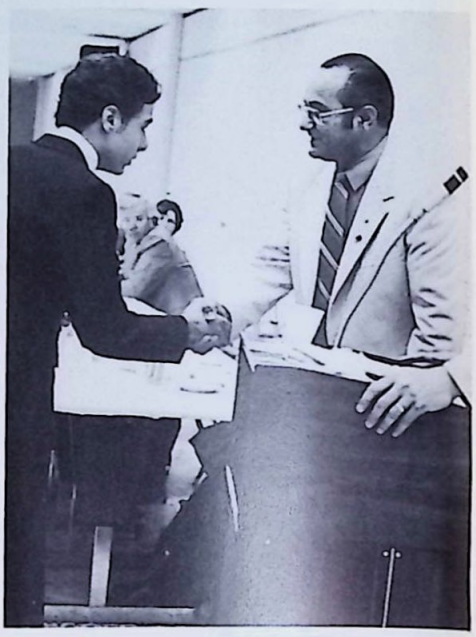


Southmoreland sponsored an American Heart Association "Jump-a-thon" on December 22. Decked in gym shorts and tee-shirts, armed with jump ropes, 170 students filed into the gym at 8:30 a.m. and departed, thoroughly exercised, at 11:30. Our school raised $3200 for the Heart Association and the participants were rewarded for their efforts.

Spirit Week



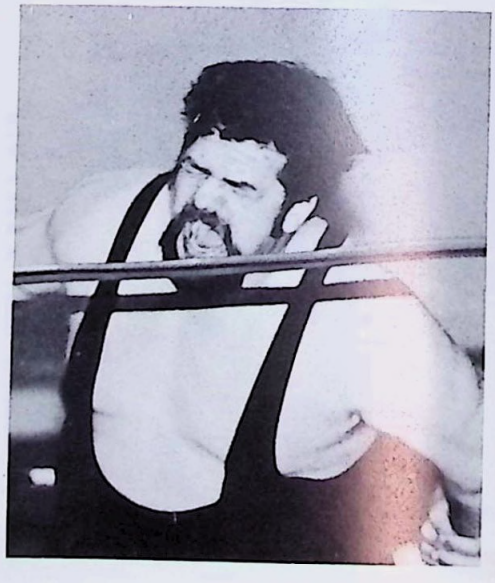
Scholars Dinner



Cinderella Ball

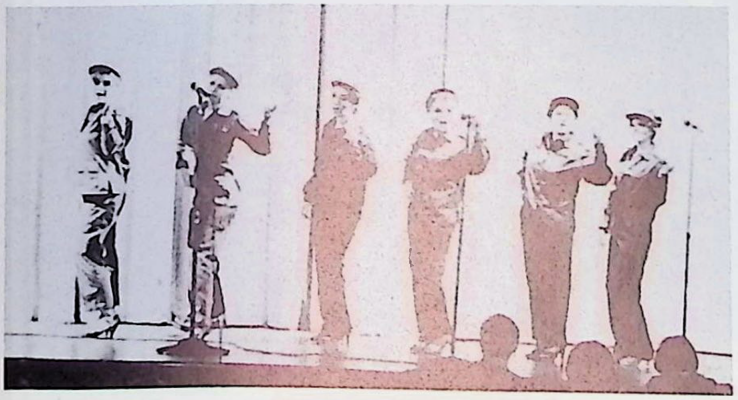
On March 28th, the Cinderella Ball was held in the high school cafeteria. It was sponsored by the Student Council and was well attended. Music was performed by Rock Salt, and all who attended enjoyed the evening.

Studio Wrestling



Solo Concert

On March 24th, a solo concert was held. This show gave students wishing to perform a solo a chance to sing in a concert. Because of the limited solo time in the spring concert, this would otherwise be impossible. With such an abundance of diverse talent in chorus this year, the show appealed to everyone.



The Southmoreland Drama Club began the season with "The Rainbows Connection", a trio of one-act plays for children. During the second week in March, the Footlighters presented "The Three Washerwomen", "The Simple Prince", "Isabel the Magnificent" and a skit based on "Hangman" at the Alverton, Ruffsdale, Central and Intermediate Schools.

During May, the Footlighters produced "That's Impossible!", an original rock musical, with a cast of 31 and an orchestra of 7. The story concerns a TV show, "That's Impossible!"which is under a strange jinx. How a clairvoyant gypsy is able to solve the shows problems and straighten out the love conflict of two of the show's MC's is the subject of the fast paced and amusing musical. Both shows were written and directed by Martha Oliver and produced by Bob Miller.

Faces of old and faces
of new
People we know and
people we knew.
Growing together then
drifting apart,
Always an ending and
now a new start.
At graduation we all
grow nearer
and all of our friends
seem so much
dearer.
And as we say our final
good-bye,
One last embrace and
one more cry.
A "keep in touch" and
a "promise I will"
A "remember when"
but "better still."
A place in my heart,
you'll always stay,
This is what's said as
we go our own way.
